Purim Katan, 5768

Dear Fellow Schliach,

Our fellow Shluchim, Rabbis Zev & Hananel Pizen and families face daily missile attack. Still they stand on the frontline with Mersirah Nefesh to continue their Shlichus in Sderot. While we worry about covering our budgets they walk the streets of Sdeort listening for the Red Alert. Then they have fifteen seconds to find shelter from deadly attacks.

**The situation is even more grave now.**

From Hamas controlled Gaza, 2 miles away, the daily attacks continue. Hamas's target are the Jews of Sderot. Many have left but still over ten thousand cling to their community. The Shluchim are standing with them. Helping with food and assistance to a community whose economy is in shambles. For many there is little or no Parnassah.

**We can do something to help them.**

At your Purim celebration you can collect money for Maatnos Levyonim. The Shluchim in Sderot will use these funds to give families a food voucher of a thousand Shekel each for Pesach. The voucher to be used in stores Sderot, will boost the local businesses.

We will be putting food on the table of thousands of Jews whose lives are in daily risk. Let's each one of us strengthen the bond between Shluchim around the world with those who face great danger in Eretz Yisroel daily.

This project is a way to let your community support Israel in this time of crisis through Chabad. It will broaden their appreciation of Chabad around the world. You can send in the money with the enclosed envelop, donate online at helpsderot.com or use the form to fax in your donation.

According to a Psak Halacha we have received from Lubavitcher Rabbonim this donation fulfills the Mitzvah of Maatanos Levyonin on Purim.

If you have any questions please contact either of us.

**Stand With the Schluchim who face Kassam rockets daily.**  
 While we worry about our budgets and programs the Schluchim in Sderot risk their lives.  
 They can't raise money where they live. We must help them.

## How to make a Purim campaign in Your Community

1. Explain the Mitzvah of Mattanos Levyonim at your Purim Celebration
2. Tell the crowd that we are sending money to the Schluchim in Sderot. They will distribute the money to families in need. Each family in Sderot will receive a food voucher for a thousand shekel. This will be used in local stores and boost the local economy.
3. Explain that the Jews in these areas are under great strain. Kassams fall every day. The residents have 15 seconds from the sound of the "Red Alert" to find shelter. Many have fled but 10,000 Jews remain. Most of them are under great stress, with little income. Chabad provides financial support, food vouchers, youth clubs, summer camps and outreach to the army.
4. This will not hurt your regular fundraising. The community will admire you for helping Israel during this difficult time. They will gain respect for the work of Chabad in Eretz Yisroel.

### The key is the collection.

**The best way is to send a hat around, or a box with a few kids dressed in costume and let everyone throw something in. If you make the pitch at the party it cannot fail. Most give smaller monies. At the celebrations people are in a better mood, they are relaxed and you have a bigger crowd. Collect also your Megillah readings.**

### After the Celebration

1. Make out your check to Chabad Sderot Purim Fund. If you are in a foreign country the check can be in any currency. Mail it to Chabad Sderot, 19045 Yorba Linda Blvd., Yorba Linda, Ca. 92886, USA. You can use the enclosed envelope.
